Description

This durable bike stand is a favourite of local authorities.

Specification

- Nylon finish with reflective tape, tapping bar and aluminium cycle parking badges.
- This bike stand can help contribute towards gaining 2x ENE8 Cycle storage credits when used in the appropriate situation, under the Code for Sustainable Homes.
- Underground (flanged) fixing.
- Nylon finish is a highly durable and resilient material reinforced with a steel core that is not painted and will never require painting.
- Nylon prevents bike frames from being damaged when resting against it.
- Underground fixing dimensions: 750mm wide x 1000mm tall (750mm above ground). Baseplate: 60mm x 60mm. 50mm tube o/d diameter, 2.5mm wall thickness. Approx weight: 11Kg.

Code: 2150

Delivery time: typically 10 working days
